14 Stonebrook Finno Progeny at the Darwin Nationals 2014

Abbott, Charlie and Sara with Berragoon Percussion,  
Champion Overall Horse of the 2014 Darwin Nationals

# BERRAGOON ASH STUD EST 1974 HISTORY

The 'Berragoon' Australian Stock Horse Stud was founded in 1974 by Mrs. Pam Mills, at "Burrabogie" Station, in the heart of the Riverina, east of Hay.

A select group of primarily Thoroughbred mares were mated to a first cross Quarter Horse Stallion, 'Retford Quarter Inch' (by Mescal), and it was the progeny from these that were classified and entered into the studbook of the ASH Society. One of these colts named "Pemblegong" was to become the early sire of the stud, and some fillies were retained to breed to outside sires. The result of one of these matings was "Berragoon Quandong" the next resident sire at 'Berragoon'. "Quandi" was the progeny of 'Berragoon Jillaroo' and by the Ayr Gun stallion "Glen Alpine Royal Salute".

It was at this time that the stud moved to the Wantagong valley property "Mandaring", east of Holbrook in the South West Slopes area of NSW, where it remains today.

The acquisition of the Lindsay stallion, "Stonebrook Finno" in 1996, proved to be very beneficial to the stud, and the performance horses that he is still producing for us has been outstanding.

We also stood the Rodeo Rush line stallion, "Rosebrook Falute" dec, for a number of years, and his son, "Berragoon Bobby's Rush" (out of Troy Henry's Nationals mare Noonamah Bobby Sox) is continuing his line, and siring some very exciting young horses for us. Sadley we lost Bobby in a tragic paddock accident, 12 month ago, but still have limited frozen semen.

"Berragoon Expose", a home bred embryo colt out of Berragoon Ravers and by Wallabah Excel, has been selected to cross with our Bobby's Rush and Finno mares.

With the introduction of embryo transfer in 1999, we have been able to maximise the genetic potential of our mares, and is something that we continue to follow, carefully selecting performance sires to cross with our elite mares. This allows us to compete and breed with our mares at the same time.

So it is with great pleasure that we offer these young horses at our annual production sale.

These horses presented in this catalogue, represent our best genetics, from our highly performed mares, and by the best ASH Sires available in Australia today.

Whilst our chosen sport is polocrosse, three of our top mares, dams of foals in this sale, have won drafts from very limited starts.

We welcome and thank all outside vendors, who have supported this sale, and have helped provide a balanced catalogue for prospective purchasers.

## MARE PROFILES

### BERRAGOON TUNE

Berragoon Cadence X Berragoon Quandong

Bay mare      05/01/94      ASH: 126076

Tune has played 4 Nationals, 2 World Cups, and 2 Junior Internationals, as well as many years consistent A Grade Polocrosse, Tune played 3 seasons of subbies, and sadly died earlier in 2014. She won Rookie Mens ASH, and Best Junior Girls ASH 2007 Tri State Junior Cup.

She has produced some lovely horses for us including **Off Key, Percussion, Rhythm, Jingle, Twang, Swing**, and more...

### BERRAGOON OFF KEY

Berragoon Tune X Stonebrook Finno

Bay Mare      17/11/04      ASH: 170717

Off Key is one of our favourite mares, she is soooooo soft and light, yet big, strong, fast and athletic to go with it.

Really hitting her straps in 2013, was a member of the winning Southern 50 team playing 3, and then turned around at Cassilis and won Best No 1 in the A grade women's!

She has produced some nice foals for us, **Coyote**, filly by Bonlac Gigolo, arguably the best 4 yo horse we have ever bred, **Hussy** (sold) and a colt by Stonebrook Jackman (sold) and another colt by Beauview Lance, (sold).

## BERRAGOON PERCUSSION

### Berragoon Tune X Furnir

Brown Mare 19/01/06 ASH: C1230192

Percussion is by Furnir a TB stallion by Turf Ruler who has sired some outstanding polocrosse mares including 'Milk' Webb Family, 3 Nationals, 'Kate' played by Pat French at 3 Nationals, 'Bobby Sox' Troy Henry, (dam of **Berragoon Bobby's Rush**) 2 Nationals, and 'Bella' Ben Manwarring, 1 Nationals.

Her dam needs no introduction (see above)

Percussion made her debut in the deep end, when a misfortune to Abbott's other mare the week before the Warwick Nationals, left him with this mare... who had only a handful of games in her and none at the 1 position! She played extremely well, and is fast and very tough. She went on to win Best Men's No1 and Champion Men's horse at the NSW Zone Championships, 2012.

Recently in August 2013, she won Champion ASH at the Aus v Ireland Intermediate and Junior Test matches in Warwick, as well as the Irish choice Champion Intermediate Pony.

In 2014 Percussion has a stella nationals campaign where she was awarded, Best 1, Best Mens ASH, Best Mens horse and the Max Walters trophy for Overall Horse of the Nationals.

We have sold a number of her pregnancies and are yet to have one of our own. We have retained a filly by Brookview Pin Up, and there are plenty more on the way in 2015.

Hydrience was a handy mare that was awarded Champion Men's ASH Division 1 World Cup 2007, as well as playing high grade polocrosse for many years. But it is in the breeding barn that she has dominated. Her progeny include **Laney** (see below), '**Sin**' Champion men's horse WA, '**Magoo**' Champion girls ASH Div 1 Junior Classic 2013 and Champion Junior ASH NSW Zone Champs 2013, '**Frost**' WA, '**Easy As**' WA, plus others including, **Smooch** and **Cougar** 3 y.o, very promising. **Smooch** was top priced lot in our 2014 sale selling for \$15,000.

## BERRAGOON LANEY

### Berragoon Hydrience X Stonebrook Finno

Black Mare    02/12/01    ASH: 155419

Laney is a nippy little black mare that Jim played all his Junior polocrosse on. She is quick and agile, as well as being tough enough for A grade men's. She has campdrafted with placings, and is proving to be a successful breeder as well.
