BERRAGOON ASH STUD HISTORY

EST 1974

The 'Berragoon' Australian Stock Horse Stud was founded in 1974 by Mrs. Pam Mills, at "Burrabogie" Station, in the heart of the Riverina, east of Hay.

A select group of primarily Thoroughbred mares were mated to a first cross Quarter Horse Stallion, 'Retford Quarter Inch' (by Mescal), and it was the progeny from these that were classified and entered into the studbook of the ASH Society. One of these colts named "Pemblegong" was to become the early sire of the stud, and some fillies were retained to breed to outside sires. The result of one of these matings was "Berragoon Quandong" the next resident sire at 'Berragoon'. "Quandi" was the progeny of 'Berragoon Jillaroo' and by the Ayr Gun stallion "Glen Alpine Royal Salute".

It was at this time that the stud moved to the Wantagong valley property "Mandaring", east of Holbrook in the South West Slopes area of NSW, where it remains today.

The acquisition of the Lindsay stallion, "Stonebrook Finno" in 1996, proved to be very beneficial to the stud, and the performance horses that he is still producing for us has been outstanding.

We also stood the Rodeo Rush line stallion, "Rosebrook Falute" dec, for a number of years, and his son, "Berragoon Bobby's Rush" (out of Troy Henry's Nationals mare Noonamah Bobby Sox) is continuing his line, and siring some very exciting young horses for us.

"Berragoon Expose", a home bred embryo colt out of Berragoon Ravers and by Wallabah Excel, has been selected to cross with our Bobby's Rush and Finno mares.

With the introduction embryo transfer in 1999, we have been able to maximise the genetic potential of our mares, and is something that we continue to follow, carefully selecting performance sires to cross with our elite mares. This allows us to compete and breed with our mares at the same time.

So it is with great pleasure that we offer these young horses at our very first 'production' sale.

These horses presented in this catalogue, represent our best genetics, from our highly performed mares, and by the best ASH Sires available in Australia today.

Whilst our chosen sport is polocrosse, three of our top mares, dams of foals in this sale, have won drafts from very limited starts. These young mares had been selected to keep, but the realisation that you cant play them all, and do them justice, has brought about this sale.

We welcome and thank all outside vendors, who have supported this, our first sale, and have helped provide a balanced catalogue for prospective purchasers.

MARE PROFILES

BERRAGOON TUNE

Berragoon Cadence X Berragoon Quandong

Bay mare 05/01/94 ASH: 126076

Tune has played 4 Nationals, 2 World Cups, and 2 Junior Internationals, as well as many years consistent A Grade Polocrosse, and is still playing subbies this season, in fact Tom French is selected on her to play at Darwin Nationals! She won Rookie Mens ASH, and Best Junior Girls ASH 2007 Tri State Junior Cup. She has produced some lovely horses for us including **Off Key**, **Percussion**, **Rhythm**, **Jingle**, **Twang**, **Swing**, and more...

BERRAGOON OFF KEY

Berragoon Tune X Stonebrook Finno

Bay Mare 17/11/04 ASH: 170717

Off Key is one of our favourite mares, she is soooooo soft and light, yet big, strong, fast and athletic to go with it. Really hitting her straps in 2013, was a member of the winning Southern 50 team playing 3, and then turned around at Cassilis and won Best No 1 in the A grade women's! She has produced some nice foals for us, **Coyote**, filly by Bonlac Gigolo, **Hussy** (sold) and a colt by Stonebrook Jackman (sold) and another colt by Beauview Lance, (sold).

BERRAGOON PERCUSSION

Berragoon Tune X Furnir

Brown Mare 19/01/06 ASH: C1230192

Percussion is by Furnir a TB stallion by Turf Ruler who has sired some outstanding polocrosse mares including 'Milk' Webb Family, 3 Nationals, 'Kate' played by Pat French at 3 Nationals, 'Bobby Sox' Troy Henry, (dam of **Berragoon Bobby's Rush**) 2 Nationals, and 'Bella' Ben Manwarring, 1 Nationals.

Her dam needs no introduction (see above)

Percussion made her debut in the deep end, when a misfortune to Abbott's other mare the week before the Nationals, left him with this mare... who had only a handful of games in her and none at the 1 position! She played extremely well, and is fast and very tough. She went on to win Best Men's No1 and Champion Men's horse at the NSW Zone Championships, 2012.

Recently in August 2013, she won Champion ASH at the Aus v Ireland Intermediate and Junior Test matches in Warwick, as well as the Irish choice Champion Intermediate Pony.

We have sold a number of her pregnancies and are yet to have one of our own. Set to change in 2013, when we have 1 for us, and 3 already sold!

BERRAGOON TUNE

BERRAGOON OFF KEY

BERRAGOON PERCUSSION

BERRAGOON HYDRIENCE

Glen Alpine Radiance X Cloud Creek Player

Grey Mare 26/11/96 ASH: 138484

Hydrience was a handy mare that was awarded Champion Men's ASH Division 1 World Cup 2007, as well as playing high grade polocrosse for many years. But it is in the breeding barn that she has dominated. Her progeny include **Laney** (see below), '**Sin**' Champion men's horse WA, '**Magoo**' Champion girls ASH Div 1 Junior Classic 2013 and Champion Junior ASH NSW Zone Champs 2013, '**Frost**' WA, '**Easy As**' WA, plus others including 2 full sisters to Laney, **Smooch** and **Cougar** just broken in, and very promising.

BERRAGOON LANEY

Berragoon Hydrience X Stonebrook Finno

Black Mare 02/12/01 ASH: 155419

Laney is a nippy little black mare that Jim played all his Junior polocrosse on. She is quick and agile, as well as being tough enough for A grade men's. She has campdrafted with placings, and is proving to be a successful breeder as well.

Laney has won numerous awards for polocrosse, and some of these are: 2008 Nationals Perth, Best No 1 and Champion Junior ASH. 2009 Junior Test Aus v SA, Best ASH, 2009 NSW Club Champs, Best Junior ASH and Champion Junior Horse, 2010 Nationals Ballarat, Best No 1, Champion Junior ASH and Champion Overall Junior Horse.

She is the dam of quite a few babies, most have been sold and are just about to start their careers, however we have kept one a black filly **Tilly Divine**, to be seen soon!

BERRAGOON SWIVEL

Riverdale Quiver X Berragoon Quandong

Bay Mare 13/11/94 ASH: 130846

Swivel has been awesome for us. Before she started polocrosse, she was 7th in the National Futurity, (2nd led section) and won the Time Trial section of the National Maturity, as well as many other working and led successes. She has campdrafted, and started polocrosse when she was 6 and Lucy was 7! In 2006 Lucy was selected to play Nationals on Swivel, and at the 2006 NSW Club Champs Lucy & Swivel won Best No1, Champion Junior ASH and Champion Junior Horse of the carnival She has won numerous other pony awards. And what a producer... **Sizzle ,Fizzle, Paris (AKA Suga), Twist It, Fairy Floss, Pixianna, Dune** and more.

BERRAGOON PARIS E.T

Berragoon Swivel X Stonebrook Finno

Brown Mare 08/11/03 ASH: 168029

Paris (AKA Suga) is a really sweet mare. Recently sold, she has been a great mare for us, was our 'go to' mare. Not a Nationals mare, but very capable in A grade, but so safe in the subbies, with good looks to boot! She has produced 3 fillies, **Suga Babe** 10 (by Brookview Pin Up) and **Sherbet** 09 (by Bobby's Rush), **Suga Plum** 13, (by Brookview Pin Up). She is just a gem.

BERRAGOON HYDRIENCE

BERRAGOON FAVOUR

BERRAGOON WAVES

BERRAGOON FAVOUR

Berragoon Ravers X Stonebrook Finno

Bay Mare 11/10/04 ASH: 170714

Favour is the first of our Ravers progeny. She too is very fast, athletic and tough, although she has a little attitude! She has won a campdraft, played at the Warwick Nationals, and was in our winning Southern 50 team.

She has produced some cool fillies for us, **Pardon** x B.Rush (sold), **Oops** x B.Rush (sold), grey filly x Pin Up (sold), gelding X W. Excel (sold WA) and '**Bloss**' x Bonlac Gigolo, who has just been broken in and is very quiet and soft.

We have two from her in 2013, a brown filly by Bonlac Gigolo, and a grey filly by Brookview Pin Up.

BERRAGOON WAVES

Berragoon Ravers X Oaks Acorn

Bay Mare 12/12/06 ASH: 230193

Waves is another very good sort of bay mare out of Ravers . She is extremely cowy and was also thrown in at Nationals, when an accident to another horse forced her to be played for 2 games in the U24 Womens. She handled herself extremely well, considering she had only played 1 game previously!

She was also a part of the winning Southern 50 side in 2013.

We have a 2YO filly "**Fuss**", from her by Keewong Combat, who has been broken in now, and we are extremely happy with her. We have 1 stunning filly "**Splash**", by Finno, and another due in 2013.

HUNTER VIEW STYLE

Black Mare 28/09/07 ASH :182396

Hallie is a very stylish black mare, who has won in the led ring. She has just started her polocrosse career in 2013, as a five year old, and was named Best Ladies Mixed No 3, NSW Club Championships Albury 2013, at her 2nd Carnival.

Hallie recently won the Challenge and Campdraft including top Cut Out at the ASH Youth National Show, 2013. Her first foals are due this 2013 season, one by Bonlac Gigolo, a stunning chestnut filly, "**Rebel**" the other by Carbon Copy, a very handsome black colt, "**Forgery**".

BERRAGOON THEA

Berragoon Rita X Stonebrook Finno

Brown Mare

31/12/04

ASH: 170716

Thea is the only mare we have from Rita or 10-4, a mare we exported to England.

She is currently being played by Chris Anderson, and has had a fantastic start to the 2013 season taking out Champion Men's ASH NSW Club Championships in Albury, Best No 3, Champion Men's Horse and Champion Horse of the Carnival at Quirindi, and Best Men's Horse and Rider Combination at Cassilis.

We have taken one embryo from her due in 2013 by Mewburn Bewick.

ROSEBROOK NICKOLE

Rosebrook Cascade X Rosebrook Shantung

Chestnut Mare 10/11/01 ASH: 163273

We purchased Nickole as a foal. She played one Nationals with us and then another 2 with her new owner Harry Kirk.

With Harry she has won many horse prizes.

She is an amazing breeder, producing 7 foals in one year!

Her first foal a gelding by Finno won Champion Horse at his first carnival and went on to be sold for \$20,000.

We have sold nearly all the others, and all of them have been very handy in their chosen field. We are still waiting to get a Finno filly out of her to keep!

KIRKBYS STUD GLIDE

Koiwon Sue Ellen X Adios Reflect

Bay Mare 01/10/03 ASH: 169513

We purchased Glide at the 2011 Landmark sale, as we were looking to get a mare with these bloodlines.

She plays very well and is very tough. She ran 2nd in the Landmark Classic draft in 2012, and we auctioned a pregnancy at Landmark as well that sold to WA for \$6000.

Glide won Champion Mens Mixed ASH the NSW Club Championships , Albury, 2013 in only her second season.

We have a filly '**Drifting**' by Finno, sold a preg by Gigolo (an outstanding colt), sold another by Finno, and have one due 2013 by Gigolo, a bay colt.
