BERRAGOON RAVERS
social whirl 02

Comments: Bloss is bred extremely well. She was broken in Oct 13 and is really soft and smart to go with it. She has had stock work and flat work. All the basics and a sad sale, as we have a full sister born this year.

Comments: Broken in this year and going. Will require experienced riders to take him further. He will excel in the Campdraft or polocrosse arena, and is a nice type and with excellent breeding on both sides could be future prospects for the Landmark Classic Sale and Campdraft held in Tamworth in February.

Comments: Tiger is well bred young yearling. He has a lovely nature and is sure to perform in years to come. We purchased his dam as I had seen her as a 2yo and liked what she had to offer. We were also looking to gain some Donrica Beacon blood, and I have a soft spot for Rivoli Rex mares!

Comments: By the Adios Reflect stallion Cawdells Academy. A beautiful looking black gelding with an exceptional length of rein like his father. Super quick, smart and talented. Has just started stick and balling. Very soft and responsive and runs nice and low, much like Jewel. An alert horse and with a year of umpiring and 1 or 2 games will be ready to excel in 2015. This horse has got all the moves.
