Smash is really only in this sale because the public asked for it. She has long been on the keepers list, but with Percussion firing up in the breeding barn last summer, we have decided to put her on the market. This mare is kind, soft, trainable and loves to play. She has been through our entire program and is set up to enjoy, shes had chukkas, mustering, been on the truck. Shes a carbon copy of her mother, so if you loved Percussion you're going to love this mare. We think very highly of her and believe she is going to make an outstanding polocrosse horse. Opportunity knocks!

There was a lot of conjecture about this mare being offered, she is a serious horse and has a great nature to go with it. She is naturally balanced, very quick footed and has a big engine. We think she will be an A grader. The Expose babies are really hitting their straps on the field and we think this mares bloodline and foundation will see her destined for big things. Truth was an open camp horse and also a mens national level mare. Serious performance breeding, serious potential to be exceptional.

Poise has several full siblings doing great things playing polocrosse and polo. Berragoon Gift owned by Ben Grills, Berragoon Blessing owned by Abbott & Carlie Grills, and Berragoon Promise owned by Gary Stevenson are 3 full sisters that are top level polocrosse horses. This filly was always on the keepers list, but we thankfully have another full sibling about to hit the ground so she's up for your competition. She's natural, soft, trainable and loves to work. She's had a solid start and really ready to learn the game. Beautiful type and has proven breeding both sides, you really can't go wrong.

Emma Webb told us were mad to sell this mare, but here we go. This filly has had limited work and is showing a massive future in a range of fields, she could show, play, draft, challenge, the choice really is yours. She is absolutely gorgeous, has a tonne of natural ability and a big heart. We are really only selling her as we can do this cross again. It's the first going filly we have offered from our superstar mare Beaches, these opportunities don't come along very often. She was undoubtedly the pick of the breakers in her year, so you really are getting the best of best here.

Sweeney was voted by our socials audience as the breaker you wanted to see in this catalogue. We are sure this filly is going to follow in the footsteps of her older sister Rebel. Sweeney broke in beautifully, she's got a fair bit of get up and go in her, she moves incredibly well, and has the looks and athleticism to go into any field. We are sad to see her in the catalogue but know whoever is lucky enough to buy her will be very happy! She is EXCEPTIONAL!

A beautiful type of foal, full sister sold for \$36,000 last year as a 3yo. We were hoping this would be a filly to replace her, but no luck. Good type, nice cross, perfect for the incentive program. Everything we are riding out of Lil is A grade!

We just broke in a full sister to this colt and she was near the top of everyone's list. We are really liking the cross of Gigolo over our Expose mares and this one is no exception. A fantastic way to shortcut your breeding program and buy into a really nice colt. We have high hopes for him.

The one that was meant to be a girl to replace Poise, alas we wait a little longer. Proven cross here, we need not say much else, if you're after one that will play, he should fit the bill. Looks the goods and we are sure he will grow into a nice horse.

Kings Cross and Slithers first foal, obviously we wanted a filly, but heres a really good look at the future of our genetics. Slither is a full sister to Boz Davison's Drifting. Kings Cross has just spent the winter with Emma Webb up north and is shaping up very nicely. Classy big colt, exciting bloodlines, both parents ready to start performing in their chosen fields, get in early.

A strapping big colt with a performance horse pedigree to match his good looks. Manners is an A grade mare and has won a novice as well. She is one of our best mares as we think she would be a perfect cross with BTW. BTW sold for \$300,000 through Nutrien in 2023 and has gone on to perform very well in the challenge and campdraft arena with Ashleigh Fairbrother for the past 12 months. We are excited to see what this colt does for his new owners, should be epic.

We have retained a full sister to this colt who we broke in last year and shes very cool. Proven genetics, a combination of both of Jim and Katies best mares, being Floozy (Kinkys fulls sister) and out of the powerhouse that is Beaches! He's got the colour, the looks, and the pedigree to do anything you like. A lovely Gigolo x Excel colt foal with a bright future.
