Here she is, we promised you a good one and we delivered. She has it all, shes arguably as good as Bells and you all know the mare she is. Shes had all the right things done by her, has had a solid start and is ready to make yours. Hallie has bred loads of really quality horses and we know what the Conjessmans are doing. Don't let a mare of this quality slip by, shes ELITE.

We retain the rights to two filly foals at our expense and your convenience.

Berragoon Poker Face is a quality, sound gelding who would suit riders starting out through to competitive players competing across all grades. He is also ready to load up and head to your next draft, with a quiet nature, lovely temperament and good cow sense. Poker Face is a pleasure to have around and is sure to impress. Poker Face competed at the Berragoon competition in 2025, with his team winning the 30-point competition. He will compete again in the 30-point competition in 2026. This is a lovely opportunity to purchase a genuine gelding with a kind temperament and plenty to offer.
